Cadillac

Officially Licensed Design....

The new 2007 Cadillac Escalade Golf and Resort Vehicle will come fully equipped with 16" Chrome Escalade wheels, functional headlights, turn signals, and high visibility LED tail lights. Constructed on a rugged all aluminum I-beam chassis the car features a 2 wheel braking system that includes Trajan Batteries, a programmable Alltrax speed controller, a computer controlled DeltaQ on board charging system and a pre-wired 12 volt electric system to run the lighting system and any optional audio visual systems.

Uncompromising Luxury....

With fine standard appointments such as a simulated Burlwood accented interior, the 2007 Cadillac Escalade Golf and Resort Vehicle is designed to be the finest golf car available on the market. Other standard features include a colour matched grill, locking simulated burlwood glove box, and chrome 16" Cadillac Escalade wheels. From project inception to development the makers have worked closely with Cadillac to construct the car with the meticulous details that the 2007 Cadillac Escalade Golf & Resort Vehicle commands and deserves. Available as a standard 4 seat model or an extended 6 seat ESV model, the new 2007 Cadillac Escalade can only be licensed by Cadillac.
